TRUMP OCEAN RESORT BAJA

Trump Ocean Resort Baja brings a new echelon of luxury and service to North Baja. Our spectacular resort is set just 30 minutes from San Diego on a peninsula of land overlooking the Pacific and Coronado Islands. Once you arrive, you'll forget how close the rest of the world is. Comprised of 162 hotel condominium rooms and suites, this is luxury at its most serene, with spacious Luis Barragan designs and private balconies with sunset views. Garden paths lure you out to our 17 acres connecting the building to the beach and ocean. Lounge in our day spa or sparkling swimming pool or enjoy our tennis courts, lap pool and event garden, perfect for entertaining. Contemporary yet comfortable, authentically Mexican in spirit, yet undeniably modern in mood and décor, the spacious suites at Trump Ocean Resort Baja will forever change the way you view luxury.
